Mr. Benjamin Layno, please do not  
abandon my application for Patent on  
Death and Forensic Trivia. Yes I know  
I have made many mistakes because I  
didn't have money for a Patent Attorney.  
But I have contacted one and have an appt.  
I was not trying to patent the Trivia  
part of the game. Its just the themes  
Death and Forensic that I came up with  
and I've worked very hard and researched for  
a couple years. I don't want someone else  
to come up with the idea of a game consisting  
of true facts about death and forensic science.  
That is why I was trying to patent the idea.  
If you can at all would you please copy  
what I've sent you so far with what you  
are displeased with circled so I can  
take it this week to attorney. I have  
sent in so many different things this has been  
going on since early 2004, I've replied  
to ever notice sent up to now. If you could  
please bear with me and help me out I would  
certainly appreciate it. If you could tell  
me what I need to do to make my game  
acceptable to you.

Thanks
